

NovaTech Solutions

Corporate Overview & Executive Services Brochure

About NovaTech Solutions

NovaTech Solutions is a leading software engineering and technology consulting firm founded in 2018. We specialize in enterprise web application architecture, artificial intelligence implementation, data engineering, and cloud infrastructure optimization. Headquartered in San Francisco, CA with global hubs, NovaTech empowers Fortune 500 enterprises and hyper-growth startups to accelerate digital transformation.

Core Capabilities & Offerings

- **Full-Stack Web Development**

Custom enterprise web platforms built with React, Next.js, TypeScript, and high-throughput backend APIs.

- **AI & Machine Learning Solutions**

Predictive modeling, natural language processing (NLP), Large Language Model (LLM) fine-tuning, and RAG architectures.

- **Cloud Infrastructure & DevOps**

AWS/Azure/GCP cloud migrations, Kubernetes orchestrations, CI/CD pipeline automation, and zero-trust security.

- **Software Architecture Consulting**

Legacy modernization, microservices redesign, performance optimization, and technical debt auditing.
